

# 'Is your Mind on Safety?'

## 59 MINUTES TO CHANGE YOUR MIND ABOUT SAFETY

A fast-paced, fascinating & entertaining event focussing on how **just being human** can have a big effect on our safety & the safety of those around us in the workplace.

A full colour informative session handout, with a summary of the topics covered within this enlightening event, is also provided for each delegate.

*"We are all human, and as such will all have similar behaviours which are just part of us. We will all tend to **forget things**, we all **'day dream'** or drop into **'the zone'**, & most of us believe that **bad things only happen to other people!**"*

### THESE ARE NORMAL HUMAN BRAIN FUNCTIONS CAUSED BY:

- **CONSCIOUS OVERLOAD**
- **ENVIRONMENTAL 'HYPNOSIS'**
- **OUR 'INTERNAL OPTIMIST'**

'AN EXCELLENT BEHAVIOURAL-BASED SAFETY RESOURCE'

**Essentially we can all be 'Caught Out'**

"WE ARE ALL JUST HUMAN."

This entertaining & inspiring session explains in layman's terms how normal human behaviours can affect our safety choices at work & the steps we can all take to **'STACK THE ODDS IN OUR FAVOUR'** when it comes to going home safe every day.

**"NOBODY PLANS TO INJURE THEMSELVES AT WORK."**  
**"NOBODY CAN THINK OF SAFETY ALL DAY LONG."**

*"Excellent course! – Very inspiring."  
"Everyone should attend this course!"  
"Fascinating & helpful for work & home."*
